Professional Experience

Team Leader
Morrisons, Stirchley
Feb 2025 – Mar 2025

- Led a team of 6+ colleagues on the shop floor to ensure smooth daily operations, excellent customer service, and timely task completion.
- Delegated responsibilities, monitored performance, and provided on-the-job training to support team development and maintain productivity targets.
- Ensured stock levels, merchandising standards, and cleanliness were consistently upheld in line with company expectations.
- Handled escalated customer queries and resolved issues effectively to enhance satisfaction and maintain store reputation.
- Collaborated with senior management to implement promotions, manage deliveries, and support audits and compliance checks.

Administrative Assistant
Flagler College, Health and Wellness Centre
Aug 2022 – Nov 2022

- Supported smooth delivery of services by managing student data and maintaining documentation with high accuracy.
- Compiled and analysed quarterly departmental data, supporting reporting and identifying areas for service improvement.
- Coordinated meetings, took minutes, and ensured accurate dissemination of action points.
- Trained in and utilised MS Excel and Outlook for organising schedules, tracking data, and internal communications.
- Maintained confidentiality and adhered to information security protocols while handling student data.

Library Assistant
Flagler College, Library Services
Oct 2021 – Apr 2022

- Responded to daily inquiries and assisted students and staff with accessing and using digital and physical resources.
- Assisted in organising events and liaised with departments regarding access to library materials.
- Maintained and updated databases, managed circulation data, and supported the team in monitoring resource usage trends.

Admissions Assistant
Flagler College, Admissions
Aug 2019 – Feb 2021

- Managed applicant data using Salesforce CRM, maintaining over 100 records daily with precision and timeliness.
- Prepared documentation, supported onboarding, and collaborated across departments to improve applicant experiences.
- Contributed to a data-driven approach in improving conversion rates through detailed tracking and reporting.
- Developed excellent working relationships across teams, supporting business goals and service continuity.
